

SODIUM CHLORIDE CAPSULES

We Think About the Quality of a Product
So You Can Enjoy Quality of Life.

At MEDISCA, our commitment to quality is our top priority. All our products exceed the highest quality and compliance standards of the industry. Every lot of MEDISCA's Sodium Chloride is tested against full monograph to conform to USP. Available in 1 g gelatin capsules with no additional fillers and dispensed in 100 or 500 units per bottle, Sodium Chloride is a quality product designed to help improve the quality of life.
