PRODUCT NO.: 9007

Spill Kit, Spill Solvent Multi Purpose, 5 Gallon Capacity For Oil, Water-Based Liquids or Chemical Spills

DESCRIPTION: The sorbent kit is used to quickly clean up any liquid spills that occur in any workstation, laboratory or construction site. The kit which comes in a bright, visible, yellow PVC bag can be stored in convenient locations to allow for fast response to spills.

FEATURES:

- Highly versatile, grey absorbents pick up water-based, petroleum-based and non-aggressive, chemical fluids
- Yellow PVC Bag offers high visibility spill control storage so items can be quickly located in an emergency situation
- Improve worker productivity and efficiency by placing spill kits around your facility close to areas prone to spills
- Fire-resistant
